Col. Strong Listens to the Board of Estimate Proceedings.

Mayor-elect Strong was on hand promptly at the Mayor's office to-day when the Board of Estimate and Apportionment resumed its work on the budget for 1895.

He was quite chipper, chatted pleas antly with James J. Martin, President of the Police Board, and Commissioners Kerwin and Mucray.

The Police Department was the first one taken up. The biggest item, of men, the total footing up \$1,496,000.

President Martin, at Mr. Gilroy's request, explained to Col. Strong the proas of the new law, increasing the pay of patrolmen after their second year from \$1,200 to \$1,400 annually. Those recently appointed are under the old for the next year.

The total appropriation for the Police Department was fixed at \$5,864,822.30, as against \$5,139,147.64 for 1894. The increase is due chiefly to the increase in salaries which is made compulsory under the

new law.

A reduction in the cost of ballots and election advertising was mentioned by the Comptroller as especially likely to be brought about.

Ontholics Must Give Up Secret cieties or Sacraments.

Although Archbishop Corrigan has anounced the receipt of the Pop's edict exainst the three secret societies of Odd Fellows, Knights of Pythias and Sons of Temperance, he has not lesued any statement, nor is he expected to send out any letter of instructions to the priests of his diocese. It was said at the Theological Conference yesterday afternoon that he formally stated he had received the document from Mgr. Satolli.

Satolli.

The officials of the orders named do not believe the edict will seriously affect the membership. Although many Catholics belong to the Odd Fellows and Knights of Pythias, it is pointed out that secret societies of all kinds have been condemned by the Pope, and that Catholics who joined the organizations did so with full knowledge of the fact.

Under the latest edict, Catholics must accept one of two alternatives—give up the organizations they belong to or lone sacraments of the church. The edict, however, does not mean excommunication.
